

MEN OF THE DOWN

Join us for a 6-mile walk through some beautiful countryside on Saturday the 18th of June. David Le Tall will be our Guide taking us from Ford, midway between the Cold Ashton roundabout (A46) and Chippenham on the A420.

The Map

Those of you who are cartophiles should bring the OS Explorer 156 map (Chippenham & Bradford on Avon) – ‘tho’ David can be relied upon to get us there in an orderly fashion.

The Terrain

We climb a short hill before descending through fields and woods then follow the By Brook up into the trees before descending into Castle Combe where we stop off for tea, coffee or ice cream and a comfort break.

Several, moderate, ascents can be muddy after rain. Come prepared!

The Pub

On our return, we pass through a small wood, a gentle valley and end up back at Ford for lunch at

David tells me it's an excellent pub/ hotel for lunch or just a drink + dog- friendly with plenty of space – inside and out.!

The Meeting Point

Set your SatNav to SN14 8RP. Park in the lay-by opposite The Chapel or, better, use the car park (our meeting point) at the Septic Tank (really!) – it's an excellent **FREE** car park behind the White Hart, on the lane which goes to Colerne.

What Time Do We Meet?

10.15 am for 10.30 am start (sharp)

Do hope you can join us!
